The Honorable W. J. Bryan Dorn  
U. S. House of Representatives  
House Office Building  
Washington, 25, D.C.

My dear Mr. Dorn:

I have been reading your remarks on the floor of the House during the debate on the National Security Act of 1947, and wish to take this opportunity to thank you for your support of the Central Intelligence Group.

Your interest and your understanding of our problems were evident not only in your remarks in the House but throughout the hearings on the bill before the Committee on Expenditures in the Executive Departments. They provided a constructive contribution to the discussion of the subject of intelligence.

With much appreciation and kindest regards,  
I am

Sincerely yours,
